Powerful adhesion to concrete, stone, brick and most common building materials

APPLICATIONS

- Bonding structural blocks of non-bearing interior walls.
- For use where fixed, permanent positioning of stone or concrete products is desired.
- Concrete pavers/slabs.
- Segmental retaining walls and columns.
- Cast stone copings.

FEATURES & BENEFITS

- One component, fast curing, easy to use adhesive foam.
- Bonding blocks and stones during construction works.
- Powerful adhesion to concrete and stone variations.
- Suitable to use at interior and exterior applications.
- Remarkable resistance to weather conditions.
